

Head Girls Varsity Lacrosse Coach (SY '23 - '24)

Episcopal High School is seeking a candidate to serve as the Head Girls' Varsity Lacrosse coach for the 2023-2024 school year. Candidates for this position will be considered either as a part-time, stipended coach or in conjunction with a full-time position to be combined with other significant school-related teaching or administrative duties, depending on the strengths and interests of the candidates and the needs of the School.

The successful candidate will understand, appreciate, and capitalize on the role that athletics in general, and lacrosse in particular, plays in helping players learn to build together, work together, and achieve together, from a range of backgrounds, perspectives, and identities. The successful candidate will also further develop that understanding and appreciation in their athletes.

As a member of the Interstate Athletic Conference (IAC) and Independent School League (ISL) in the Greater Washington, DC area, Episcopal has a rich academic and athletic tradition and is deeply committed to seeing athletics as a crucial classroom in which our students strive for excellence and develop as healthy, determined, collaborative, and ethical leaders for the future. **For more information about EHS, please visit the [school's website](#).**

Required:

- Leadership experience within a competitive program
- Strong organizational, communication, and interpersonal skills
- Understanding of the nature of boarding schools

Interested candidates should send their resume, cover letter, and 3 – 5 references to The Finney Search Group at: <https://www.thefinneysearchgroup.com/ehs-teachercoach-application>

Covid-19 Vaccination Requirement: To protect the health and safety of our community as a 100% boarding school, and following the Food and Drug Administration's full approval of a Covid-19 vaccine, Episcopal implemented a mandatory Covid-19 vaccination policy. View Episcopal's mandatory vaccination policy for its employees [here](#). Please also note that the job-related functions of this position and business necessity require the Covid-19 vaccination as a prerequisite for this position.
